

These are the guidelines for admittance to the center for employees and children:

Temperature taken outside the door at the entrance.

Parents will not be admitted at this time.

A staff member will take the child to their classroom once they have been admitted.

A staff member will take your child to the door at pick up time.

If staff or child has a temperature of 100.4 degrees or higher they will not be admitted.

If staff or child exhibits symptoms of illness they will not be admitted.

Additionally, we will continue to observe the wellness conditions in our parent handbook. If parents feel that their child is well, and we have determined otherwise, we must have a note from the child's doctor attesting to their good health. If a child begins showing symptoms and/or has a fever later in the day, they must be picked up within an hour. That child will be able to return after 24 hours if the child has been seen by a doctor who has given them a clean bill of health.

Staff and children will wash hands once they have been admitted.

Staff or children who have been exposed to a person diagnosed with COVID19 may not return for 2 weeks.

The center will be disinfected with a micro sprayer unit by the morning after notice of exposure of COVID19.

Parents must notify the center of any exposure to COVID19 in their household. This should be done by a phone call to the center.

The Center will follow instructions from the Wayne County health department when a COVID19 exposure is reported.

Procedures for staff and children during the day:

Children will be in small groups with the same teachers each day.

Children will be given individual bags with craft supplies.

Children will nap 3- 6 feet apart.

Children will only play with a toy, or tub of toys one time per day, so that they can be sanitized for use the next day.

School age children will be encouraged to wear masks indoors.

School age children must wear a mask when being transported to and from school.

Temperatures will be taken in the afternoon before entering the bus.

Hand sanitizer will be used before entering the bus.

Please do not send children's toys from home. They may bring one soft item to hold at naptime.

Please take bedding home every week. We will sanitize them each day after use.

COVID19 Agreement

I _____ confirm that my
child _____ has not been exposed to
person diagnosed with COVID19.

I also agree to the state mandated policies listed above.
